Product description

Zettex Bio Clean Hygiene Spray is a ready-to-use alcohol-based cleaner for quick and easy cleaning of all kinds of surfaces. Zettex Bio Clean Hygiene Spray evaporates quickly and is NSF certified, allowing it to come into contact with food. Zettex Bio Clean Hygiene Spray is not harmful to the substrate and leaves no residue.

Material

Medicinal alcohol

Benefits

- Fast evaporating
- Universally applicable
- Ready to use
- People and Environmentally Friendly
- Easy in use

Applications

Rapid removal of all types of contaminants such as bacteria, fungi and skin fats.

Instructions

Generously spray the parts to be treated and allow dissolved dirt to drip off. If necessary, rub with paper or cloth.

Delivery form

Aerosol 500 ml
Spray bottle 1 liter

Safety recommendations

See safety data sheet.

Properties	Specifications
Odor	alcohol
Change in condition / boiling point °C	approx. 60
Density g/ml (20°C)	0.722 DIN 51757
Vapor pressure mbar (20°C)	210
Viscosity mPas (20°C)	<10 dynamic
PH value undiluted (20°C)	n.m. DIN 19261
PH value 1% aqueous solution (20°C)	7
Flash point (°C)	< 0 DIN 51755
Auto-ignition temperature (°C)	250 DIN 51794
Explosion limits Vol% lower	1.1 DIN 51649
Explosion limits Vol% upper	7.0 DIN 51649

Water solubility (20°C)

20 mg/l
